

Dear Greta Smith,

Congratulations! You have successfully completed the registration process for GREAT LAKES POWER VAC, LLC / 160355587 / 58JL1 in the U.S. federal government's System for Award Management (SAM).

What happens next?

Your SAM registration will go through an external validation process with the Internal Revenue Service (if applicable) and the Defense Logistics Agency's Commercial and Government Entity (CAGE) Code system.

You will receive another e-mail from SAM.gov once your IRS and/or CAGE validations are complete, which can take as long as 7-10 business days. Until then, you will not be eligible for contracts, assistance awards, or to do business with the Federal government, as determined by your Entity's profile.

Please note:

- If your registration fails the IRS validation step, you will receive an email from SAM.gov with information on next steps needed from you to complete validation.
- If you receive a supplemental email from an "@dla.mil" address regarding issues with your entity and CAGE Code, be sure to follow their instructions critical to passing CAGE validation. CAGE will contact your entity's Government Business Point of Contact as listed in your registration.

Checking the Status of your SAM Registration

You may check on the status of your registration at any time by logging into [www.sam.gov](http://www.sam.gov) and clicking on your Entity Record page. In addition, be sure to check your spam email folder for any communications from SAM, IRS and/or DLA related to your entity's registration. Remember CAGE will contact your Government Business POC and not your SAM Entity Administrator.

Additional questions?

If you have not received another email from SAM.gov and it has been more than 10 business days, you may contact the Federal Service Desk (FSD):
